

HYMN FOR THE FEAST OF GRATITUDE FOR MOTHER CHIARA 2024 - MOZAMBIQUE

Prophetic Dream

Text and music: Sr. Inácia Chaquise, FMA
Production: Xuggubo productions 2024

Ohh, ohhh, ohh (4x)

Dream like Don Bosco
Generate like Mary
Caring for God's work
With love and gratitude.

1. Two hundred years have passed.
From a prophetic dream
A family is born
To educate young people.

2. The dream of a full life
Leads to take care of young people
and of our common home
For tomorrow's generations.

3. Our dream persists
In the face of devastating war
Sowing pain and despair
Lord, give us your peace!

4. The noble gesture of gratitude
Made eternal in two hearts
In Salesian education
opens horizons to young people.

5. Thank you, Mother Chiara,
Mozambique is open to welcome you.
Our Mazzarello today
Our heart welcomes you.
